Amazon.com: Customer reviews: Nature and Walking Walking remains one of my favorite books of all time. Thoreau just knows how to put your mind in a whole new place, and describes his wonderful nature walks as going to a whole new world, outside of the city, where man and his made up politics and economy are nowhere to be found. inSpirit: UUA Bookstore and Gift Shop: Nature and Walking Emerson's Nature and Thoreau's Walking together in one volume. Writing that defines our distinctly American relationship to nature. A Beacon Press Book.

Walking in Nature | Reason and Meaning A reader sent me a beautiful description of the tranquility he finds walking in and communing with nature. It seems my friend has become a forest dweller in the Hindu tradition! I think that if we don't find peace in this way, we probably won't find it anywhere, for many seers and sages have found something vastly preferable in nature and solitude.
